<sup>1</sup> A Mandatory Resolution to Adopt Basic Membership Expectations, 1992 General Assembly

## **Rights and Duties of Membership**

I agree that cessation of a college course of study shall not be considered as canceling the general fact of membership or reducing or modifying the moral obligation of a Brother to the Fraternity. I agree that membership in Lambda Chi Alpha shall be for life, and shall be terminated only by death, resignation, or expulsion. <sup>2</sup>

In addition to the rights and duties set forth in the Laws of the Fraternity, I agree to each of the following specific obligations: <sup>3</sup>

- I will abide by the Laws, customs, traditions, and usages of the Fraternity.
- I will pay promptly all legally assessed dues, service charges, and fines.
- As long as I am a Collegiate Brother or an Associate Member and an undergraduate student at the institution where my Chapter is located, I will pay all local and General Fraternity dues, fees and assessments unless I have been granted Inactive Standing.
- I will attend all regular meetings, all performances of the Initiation Ritual, and all official functions of the Fraternity or my Chapter when possible.
- At all regular meetings of the Fraternity, I will vote on all matters before the meeting, including votes on association and initiation, unless the Chapter for special reason shall excuse me.
- As long as I am a Collegiate Brother or an Associate Member, I will live in and take meals at the Chapter house where such facilities are provided, unless excused by the Chapter bylaws, the Chapter Executive Committee or Code 4-2(b) of the *Statutory Code* as applicable, or unless the rules of the institution require otherwise.
- I will put forth a definite effort to assist in the acquisition of new members of desirable type.

## **Fraternity Rituals, Emblems and Intellectual Property**

I understand the Rituals of the Fraternity to be the Initiation Ritual, the Associate Member Ceremony, the Ritual for Conducting Business Meetings, the Installation of Officers, the Ceremony for Alumni and Graduating Seniors, the True Brother Evolutions, and the Memorial Ritual and Funeral Service. <sup>4</sup>

<sup>2</sup> Article 4, Section 6

<sup>3</sup> Article 4, Section 6

<sup>4</sup> Code 6-1

I understand the Lambda Chi Alpha ritual is based, in part, upon the moral and ethical teachings of the Holy Bible, and I can accept membership without reservation. <sup>5</sup> Nevertheless, I understand that the Fraternity's rituals teach a system of values that all Associate Members, Brothers, and Chapters will strive to achieve, but that none of these Rituals espouse specific religious beliefs or teachings. <sup>6</sup>

I will keep strictly secret the complete contents of the Rituals of the Fraternity, except in cases where the Rituals are officially declared to be non-secret. <sup>7</sup>

I will not divulge to any non-initiated member the contents nor any part of the Rituals not officially declared to be non-secret, nor will I permit any non-initiated member to witness its exemplification or any part of the Initiation Ritual, unless he be a legally associated candidate for initiation. <sup>8</sup>

I will memorize the Creed of Lambda Chi Alpha and I will put its ideals into action. <sup>9</sup>

I will not procure an Official Badge or any Fraternity jewelry bearing Lambda Chi Alpha insignia from any jeweler except a duly authorized representative of the Official Jewelers. <sup>10</sup>

I will wear the Official Badge and the Associate Member pin and the Official Recognition Button only in the manner prescribed by the Laws of the Fraternity, and I will permit the Official Badge to be worn only by those others so permitted under the Laws of the Fraternity. <sup>11</sup>

I understand that each Official Badge is the sole property of the Fraternity and that I shall own it on the condition that I shall not part with it, except as specified in the Laws of the Fraternity. <sup>12</sup>

I will, without question or reservation, surrender my Official Badge in cases of expulsion, resignation, or at such time and place as the Office of Administration shall designate, being credited with the purchase price of the same. <sup>13</sup>

I will not purchase or attempt to purchase an Official Badge until after I have paid my Initiation Fee, both local and General Fraternity, to the High Tau of my initiating Chapter nor until the remittance of my General Fraternity Initiation Fee by the High Tau to the Office of Administration. <sup>14</sup>

I understand that if I use any Fraternity intellectual property in a way considered improper or offensive in the discretion of the Office of Administration, the Office of Administration may take appropriate action against me. <sup>16</sup>

### **Fraternity Objects and Purposes**

- To render such other services to its general membership as may seem feasible and as may be in harmony with the other aims of the Fraternity.

## **Illegal Drugs and Alcohol**

I will not possess or use illegal drugs, including related paraphernalia, in Chapter houses, on Fraternity premises, at Fraternity functions wherever held, or in any other fashion that would be connected in any way with the Fraternity. <sup>19</sup>

I will ensure that the possession, consumption, and distribution of alcoholic beverages on the premises of any Chapter or at any entertainment or function given in the name of, or for the benefit of, Lambda Chi Alpha Fraternity is not in conflict with institutional, state, provincial, or local regulations and policies. <sup>20</sup>

If I am censured by the Fraternity, I will cease and desist from the conduct bringing about the censure. I understand that failure to do so shall will subject me to such other action consistent with the Laws of the Fraternity as the Chapter may determine.
