ARTICLE 1

Name, Incorporation, and Laws

Section 1. Name. This Fraternity shall be officially known and designated as THE LAMBDA CHI ALPHA FRATERNITY.

Section 2. Incorporation. The Fraternity shall be represented legally as Lambda Chi Alpha Fraternity, Inc., a mutual benefit corporation organized and incorporated under the laws of the State of Indiana as a voluntary association. The members of the Grand High Zeta shall constitute and also be known as the Board of Directors of said corporation.

Section 3. Laws. The Laws of the Fraternity shall consist of the Initiation Ritual of The Lambda Chi Alpha Fraternity, this *Constitution*, the *Statutory Code*, Mandatory Policy Resolutions approved by the General Assembly, and the Orders of the Grand High Zeta as hereinafter described, and such additional regulations as may be enacted in accordance with existing statutes.

Section 4. Objects. The Lambda Chi Alpha Fraternity sets as its supreme goal, contribution in the largest measure possible to the pre-eminence of truth and justice, and the well-being of human kind. Toward this end, it is the aim of Lambda Chi Alpha to develop in its Members the highest standards and acts of honor, chivalry, unselfishness, tolerance, and industry and loyalty to Christian principles, the laws and established moral code of the United States of America and Canada, the democratic principles of the North American educational systems, and the Laws, traditions, standards, and practices of this Fraternity. It is a fundamental principle of this Fraternity that no finer means is offered for the achievement of these aims than the brotherly association of men with similar tastes and inclinations.

Founded with abiding faith in the innate honor, justice, social instincts, and common sense of the normal college man and in the close communion of kindred hearts as an incentive to honorable action, it is, therefore, the policy of this Fraternity to contribute vigorously toward the accomplishment of the following specific purposes:

- a. To inspire appreciation for, to encourage the practice of, and to nurture loyalty and devotion to Christian and other moral or religious principles consistent with the ideals of Lambda Chi Alpha.
- b. To encourage and inspire fraternal feeling and cooperation, and to form unselfish and loyal friendships among its Members.
- c. To establish and foster the highest ideals of manly character and gentlemanly behavior, to appeal to and develop man's nobler

sensibilities, and as far as possible, to instill deeply in the hearts and minds of its Members such ideas of thought and behavior as will contribute definitely toward these ends.

- d. To develop the higher qualities of the mind, to nurture respect for learning, and to encourage and reward singular achievement in the field of scholarship, working at all times in harmony with the best in the North American educational systems.
- e. To provide clean and wholesome homes, and recreation for its Members while in college.
- f. To render such other services to its general membership as may seem feasible and as may be in harmony with the other aims of the Fraternity.
- g. To contribute definitely toward the spirit of democracy in the college fraternity system and to operate without offense or injury to anyone, working according to a positive and progressive plan rather than a negative or reactionary program.
- h. To encourage its Members to carry into their experiences and relationships the objectives herein defined as a means to improving their professional, social, and community environments both during and after their collegiate experience.
- i. To maintain an order whose Initiation Ritual and symbolism shall be secret.

ARTICLE 2

Section 1. General Assembly.

- a. **Definition.** The General Assembly shall be the supreme executive, legislative, and judicial body of the Fraternity. The General Assembly shall meet biennially and it shall exist only between its initial call to order and its final adjournment. The membership of each General Assembly, with franchise, shall consist of:

A meeting of the General Assembly may be waived, omitted, or deferred if authorized by the favorable referendum vote of two-thirds of the Chapters.

Code 2-2. Notice of Sessions. The ranking executive officer in the Office of Administration shall send notice of the meeting of the General Assembly to all Chapters and to all Grand High Zeta members at least two months before the date of the opening session. Such notice may be by electronic notice or posting on the General Fraternity's web-based or other similar site.

- b. **Powers and Duties.** The General Assembly may exercise any and all powers provided for in this *Constitution* or the *Statutory Code*, or otherwise necessary or proper for the governance of the Fraternity. Without limiting the foregoing, the General Assembly shall also have the following specific powers and duties:
 1. Effecting its own organization, including adopting standing rules to govern during the proceedings of the General Assembly.

2. Electing the Grand High Alpha and the elected members of the Grand High Zeta as provided in Sections 4(a)(1) and (2) of this Article 2.

- c. **Undergraduate Franchise.** In order to have a vote in a session of the General Assembly, a Chapter shall send at least one representative to the General Assembly. Such representative shall be known as an Official Delegate. Additional Chapter members may be present at the General Assembly and may take part in the discussions, but no Chapter shall be allowed more than one vote in the General Assembly, except (i) where another Chapter member has franchise by reason of being a member of the Grand High Zeta or the Student Advisory Committee, or (ii) in the case of a Chapter that by virtue of institutional requirements consists of two separate and distinct memberships, each governed by their respective High Zetas, in which case each separate and distinct membership shall be represented in the General Assembly by an Official Delegate. No Chapter shall be allowed to vote in the General Assembly if the Chapter is in arrears on the books of the General Fraternity, except by vote of the Grand High Zeta.

Code 2-3. Delegates' Qualifications. The Official Delegate of a Chapter shall be a Collegiate Brother or an Associate Member and he must have at least one academic year remaining before graduation, except in special cases approved by the Grand High Zeta. Associate Members who serve as Official Delegates will be excused during discussion of and voting on matters involving the *Initiation Ritual*.

Code 2-4. Duties of the Official Delegate. The Official Delegate shall attend all legislative and ceremonial sessions of the General Assembly and all meetings of committees to which he is appointed. He shall present a complete report of the proceedings at the first regular Chapter meeting following the General Assembly.

- d. **Quorum and Proxy Voting.** Representatives from a majority of the Chapters with franchise shall constitute a quorum for the transaction of business at a General Assembly. Action by a majority of the votes cast in the General Assembly shall constitute and be binding as the law of the Fraternity, except on amendments to this *Constitution* or the *Initiation Ritual*, or decision on petitions for charters, each of which shall require a three-fourths vote. There shall be no voting by proxy in the General Assembly.
- e. **Special Sessions.** A special session of the General Assembly may be called for stated purposes upon 30 days' notice by a majority of the Grand High Zeta or by a three-fourths vote of all Chapters.

Code 2-5. General Assembly and Leadership Seminar

Representation Required. Representation at each General Assembly and Leadership Seminar shall be required for all Chapters unless excused in advance by the Grand High Zeta. Failure to be represented, unless excused, shall cause a charge of \$1,000 to be added to the absent Chapter's account with the General Fraternity.

Section 2. Action by Referendum. Should conditions arise during the interim between sessions of the General Assembly that in the opinion of the Grand High Zeta require action by a General Assembly, the Grand High Zeta may submit such measures to a referendum by direct vote. Such direct vote shall be submitted electronically or by mail to each member of the Grand High Zeta, to each member of the Student Advisory Committee, and to each Chapter entitled to franchise in a General Assembly. If any Chapter or Grand High Zeta member or Student Advisory Committee member fails to vote within 30 days after such submission, the result shall be determined on the basis of those voting. The required majority in each case shall be the same as required under Section 1(d) of this Article 2.

Section 3. Alumni Conference.

- a. **Organization and Purpose.** An Alumni Conference shall be convened at each General Assembly and shall exist only during the time the General Assembly is actually in session. The Alumni Conference shall be made up entirely of Alumni Brothers, and its sole purpose shall be to elect delegates to the General Assembly. The Grand High Alpha shall designate an Alumni Brother to act as Chairman of the Alumni Conference.
- b. **Limitation of Alumni Franchise.** No member of the Grand High Zeta, the Board of Councilors, the Order of Merit, or any executive or administrative employee of the Fraternity during the term of his employment shall serve as a delegate from the Alumni Conference, but all (except any executive or administrative employee of the Fraternity

during the term of his employment) are entitled to vote on delegates at the Alumni Conference. No more than one alumnus of any Chapter shall be elected as a delegate from the Alumni Conference. The combined vote of (i) Alumni Brothers on the Grand High Zeta, (ii) Alumni Brothers on the Board of Councilors, (iii) Alumni Brothers in the Order of Merit, and (iv) Alumni Conference delegates shall not exceed one-third of the total number of Chapters.

- c. **Waiving Franchise.** Any Alumni Brother who is present at any General Assembly and who has franchise by reason of his being on the Grand High Zeta, the Board of Councilors, or the Order of Merit may waive franchise for that General Assembly by presenting such waiver in writing to the Alumni Conference for delivery to the Secretary of the Assembly.

Section 4. The Grand High Zeta.

- a. **Composition, Election, and Terms of Office.** The Grand High Zeta shall consist of:
 - (1) The Grand High Alpha, who shall be elected at every second General Assembly. The Grand High Alpha must be elected from the membership of the Grand High Zeta or the Board of Councilors, and he shall not be eligible to succeed himself in the office of Grand High Alpha, except where his service as Grand High Alpha resulted solely from filling the unexpired portion of the previous Grand High Alpha's term. The Grand High Alpha shall assume his duties at the conclusion of the General Assembly at which he is elected.
 - (2) Eight Brothers elected by the General Assembly, each of whom shall serve for a full term of four years, or two years, should one or more two-year terms become available through resignation, removal, death or by election to the office of Grand High Alpha. The elections to the Grand High Zeta shall be staggered such that four Brothers are elected to the Grand High Zeta at each General Assembly, except for vacancies created by resignation, removal, death, or election to Grand High Alpha. Each member of the Grand High Zeta shall assume his duties at the conclusion of the General Assembly at which he is elected.
 - (3) Four members of the Student Advisory Committee, consisting of: (i) the Chairman of the Student Advisory Committee, who shall serve as the Grand High Sigma, (ii) the Vice Chairman of the Student Advisory Committee, who shall serve as the Grand High Theta; and (iii) two additional members of the Student Advisory Committee, who shall serve as Grand High Nu and Grand High

Psi, respectively. These student representatives on the Grand High Zeta shall be elected by a majority vote of the Student Advisory Committee, they shall assume their duties at the end of the Student Advisory Committee meeting at which they are elected, and they shall each serve a term of one year on the Grand High Zeta.

- (4) Two Brothers may be elected to the Grand High Zeta by the current Grand High Zeta to serve through the next General Assembly. However, past members of the Grand High Zeta are ineligible except those members whose service on the Grand High Zeta has been by reason of their service on the Student Advisory Committee or the Council of Presidents, or as a member elected by the Grand High Zeta pursuant to this Section 4(a)(4).

Brothers elected to the Grand High Zeta may serve for no more than a total of ten (10) years, whether consecutive or not, not including service as Grand High Alpha or as a student. After completing ten (10) years of service, a member must wait nine (9) years to again be eligible to serve on the Grand High Zeta.

Subject to the provisions of Section 6(d) of this Article 2, any Brother may be eligible to hold elective office in the General Fraternity. Election to the office of Grand High Alpha or as an elected member of the Grand High Zeta under Section 4(a)(2) of this Article 2 shall require a majority of the votes cast in the General Assembly. Should there fail to be a majority for the number of candidates equal to the number of open slots, the presiding officer shall call for a second ballot, from which the name of the candidate polling the lowest vote on the first ballot shall be dropped. This process will continue through subsequent ballots until each open seat is filled by a majority vote. The presiding officer of the General Assembly shall vote only in the event of a tie.

- b. **Powers and Duties of Grand High Zeta.** The Grand High Zeta shall be the Board of Directors and the supreme executive, legislative, and judicial body of the Fraternity during the interim between sessions of the General Assembly, and shall have all powers of the General Assembly set forth in Section 1(b) of this Article 2, except that of altering or amending the *Constitution*, the *Statutory Code* or the *Initiation Ritual*. Action at a meeting of the Grand High Zeta shall be by a majority of the votes cast. Section 1. Zetas, Chapters and Colonies. A Zeta is that organization consisting of all Members at any college or university, alumni and undergraduate, after it shall have been granted a charter by The Lambda Chi Alpha Fraternity. Chapter refers to those Collegiate Brothers and Associate Members in a Zeta. A Colony is that organization consisting of all Collegiate Brothers and Associate Members at any college or university, after colonization but before it shall have been granted a charter. Chapters and Colonies shall at all times be controlled by the Laws of the Fraternity but may enact bylaws not inconsistent therewith. The General Fraternity is not liable for any acts or omissions of a Zeta or a Colony inconsistent with their own bylaws or the Laws and policies of the Fraternity.

Section 2. Colonization and Chartering. The Grand High Zeta may establish a Colony at any college or university. The Grand High Zeta may grant a charter to such Colony, provided the Colony (i) has received the favorable endorsement of the High Zetas of three chartered Chapters within that Colony's conclave or adjacent conclave area, (ii) has on hand sufficient funds for anticipated expense of chartering, (iii) has submitted monthly progress reports to the Office of Administration throughout the colonization period, and (iv) has successfully achieved the Chapter Operating Standards enumerated in Section 3 of this Article 3.

 - (8) The Chapter must have an Alumni Advisory Board with at least three members pursuant to Section 7 of this Article 3.
 - (9) The Chapter must have at least two undergraduate Members present at each General Assembly and Leadership Seminar, and the Chapter must designate which undergraduate member will be the Official Delegate representing the Chapter.

Section 4. Installation. A new Zeta shall be installed on a date to be determined by the Grand High Zeta by a Brother of the Fraternity duly authorized by the Grand High Zeta to perform this duty. A Zeta, upon being installed, shall be presented with a charter signed by the Grand High Alpha, the Grand High Pi, and the Grand High Gamma, and bearing the Official Seal and Coat of Arms of the Fraternity.

Section 6. Revival of Dormant Zeta. A Zeta whose charter has been suspended, revoked, or declared inactive may be recolonized and thereafter, upon satisfying the requirements of Section 2 of this Article 3, and with the approval of the Grand High Zeta, become recognized as an active Zeta. No Charter Fee shall be required in such cases, and the original charter with the funds and other property of the original Zeta that may not have been disposed of shall be given

to the succeeding Zeta, and the date of installation of the original Zeta shall be regarded as the date of the founding of the restored Zeta.

CHAPTER OFFICERS

Code 3-1. High Zeta.

- a. The High Zeta of a Chapter shall consist of the High Pi, who is appointed by the Grand High Pi, and the following officers elected by the Chapter: High Alpha (President); High Beta (First Vice President); High Theta (Second Vice President); High Gamma (Secretary); High Tau (Treasurer); High Iota (Risk Manager); High Rho (Alumni Liaison); High Kappa (Fraternity Educator); High Delta (Recruitment Chairman); High Phi (Ritualist); High Sigma (Educational Chairman); and High Epsilon (Social Chairman). The High Zeta elected officers shall rank in the order as listed above, and other officers, as determined by the Chapter pursuant to Code 3-1(b) of this *Statutory Code*, will be ranked after the High Epsilon. In addition to the specific duties set forth in this *Statutory Code*, it shall be the duty of all members of the High Zeta to enforce strict observance of the Laws and policies of the General Fraternity and the bylaws of the Chapter.
- b. As determined by its Bylaws, any Chapter may elect to the High Zeta any officer besides those stated in Code 3-1(a) of this *Statutory Code*, with such powers and duties as may be prescribed by the Chapter's Bylaws. Any officers added to the Chapter's High Zeta will have all rights and privileges thereof, but shall not bear Greek-letter designations. The Grand High Zeta may review any such office and may approve or disapprove it.

Code 3-2. Eligibility to Hold Office. Except as authorized by the Grand High Zeta or the Office of Administration:

- a. no Member may seek or hold a High Zeta office unless (i) he shall be a Collegiate Brother or Associate Member, and (ii) he shall be in good standing as defined in clauses (2) and (3) of Code 4-1 of this *Statutory Code*; and
- b. no Member shall hold more than one of the High Zeta offices listed in Code 3-1(a) of this *Statutory Code* at any one time.

Code 3-3. Time and Frequency of Election. Regular election to Chapter offices shall be held annually, at the time and in the manner provided for in the Chapter's bylaws. Within five days after the election of an officer, the High Gamma shall notify the Office of Administration of the Chapter's action.

Code 3-4. Installation of Officers. Officers shall assume their duties at the next regular meeting following their election, unless a different time is provided for in the Chapter's bylaws. Within thirty days from date of election, all duly elected members of the High Zeta shall be installed in accordance with the *Installation of Officers*, which said installation may be a non-secret ceremony, exoteric in nature within the provisions of Section 1 of Article 6 of the *Constitution*.

Code 3-5. Disability of High Alpha. In case of the absence or disability of the High Alpha, the High Beta shall succeed to his powers and duties until his absence or disability is terminated. Further succession shall be in the order of rank, as specified in Code 3-1(a) of this *Statutory Code*. In the event of permanent disability, disqualification, resignation or removal of the High Alpha, the office shall be filled by special election held at the earliest possible date, said election to be called by the highest-ranking officer remaining.

Code 3-6. Removal from Office. A member of the High Zeta may be removed from office by a two-thirds vote of a quorum of the Collegiate Brothers and Associate Members of the Chapter at any regular or special meeting of the Chapter, upon motion of a Member or of the Executive Committee, provided that the motion to remove shall have laid on the table for one week. Any appointed or elected officer other than a member of the High Zeta may be removed at any time by the officer or committee appointing him or in accordance with the Chapter's bylaws. Nothing in this Code 3-6 shall limit the powers of the Executive Committee pursuant to Code 3-10(b) of this *Statutory Code*. Removal from office is not "discipline" as defined in Article 7 of the *Constitution* and such actions are therefore not subject to the requirement that the basic rights under Article 4, Section 4 of the *Constitution* be afforded.

Code 3-7. High Pi—Qualifications, Appointment and Term.

- a. The High Pi shall be appointed by the Grand High Pi (i) upon the recommendation of the Executive Committee delivered to the Office of Administration, or (ii) upon the initiative of the Grand High Pi where circumstances warrant. The High Pi shall have been an Alumni Brother in good standing for at least five years, but he need not be an initiate of the Chapter he serves. The Grand High Pi may waive the provision requiring a prospective High Pi to have been an Alumni Brother for five years prior to the appointment. An Alumni Brother of less than five years may serve in other advisory capacities, and upon application the Grand High Pi may appoint a non-Member as a Chapter Adviser rather than as High Pi, with such duties and subject to such conditions as the Grand High Pi may determine in his discretion.

- b. The term of each High Pi shall expire two years after the date of his appointment, but upon the recommendation of the Executive Committee delivered to the Office of Administration, he may be reappointed by the Grand High Pi for successive terms of two years each. The Grand High Zeta may dismiss a High Pi any time such action, in its judgment, is advisable. No Chapter shall pay a High Pi for his services to the Fraternity, and by accepting payment for any services to the Fraternity, a High Pi shall automatically disqualify himself from holding that position.

Code 3-8. Powers and Duties of High Zeta Officers. In addition to such other powers and duties as may be prescribed by the Laws of the Fraternity or in the Chapter bylaws, the officers of the High Zeta shall have the following powers and duties:

- a. **The High Pi** shall be the Chancellor, Chief Judicial Officer and Chapter Advisor of the Chapter. He shall have the power to appoint any Chapter officers or committees not provided for by the Laws of the Fraternity or the bylaws of his Chapter. He shall be an ex-officio member of all Chapter committees, and he shall have a vote in each committee. He shall not be entitled to vote in Chapter meetings except (i) in event of a tie, (ii) when his vote could change the outcome of the vote, (iii) in electing the Chapter's

He shall oversee internal membership involvement and campus involvement in his Chapter. He shall be an ex-officio member of all committees of the Chapter, without a vote except that he shall have a vote on the Executive Committee if he has been elected as one of the two active members or as the alternate member as provided for in Code 3-10 of this *Statutory Code*.
- d. **The High Theta** shall be the Second Vice President of the Chapter. He shall assist the High Beta in the performance of his duties, and in the absence or disability of the High Beta, he shall succeed to his powers and duties. He shall keep a separate record of all suspensions, resignations, expulsions, and deaths within the Chapter and shall send such records to the Office of Administration. He shall forward records of initiates and associate members to the Office of Administration within five days after initiation or association, respectively. He shall supply such reports as may be requested of him by Office of Administration, not delaying more than five days in acknowledging receipts of such requests and furnishing the information desired as soon as possible.
- f. **The High Tau** shall be the Treasurer of the Chapter. He shall collect dues, fees and assessments duly imposed upon the Members, and deposit all funds so collected. He shall supply such information as may be requested by the Office of Administration, and he shall provide evidence to the Office of Administration of the timely preparation and filing of an annual

IRS Form 990, if required by law. The High Tau shall pay all duly authorized Chapter bills, keep a full and accurate record of all transactions, and make a monthly report to the Chapter. The High Tau shall report to the proper college or university official regularly and without exception the names of all undergraduates owing bills to the Chapter at institutions where the withholding of credits or degrees or any other system of collection is sponsored or conducted by the institution. This shall not prohibit the Chapter from retaining professional accounting and auditing services.

- g. **The High Iota** shall be responsible for coordinating the implementation of safety measures for all social events, philanthropic and community service events, recreational functions, kitchen operations, house management, and fire safety.
- h. **The High Rho** shall be the liaison between the Chapter and Alumni Brothers, and he shall be responsible for the development of a program to transition upperclassmen to alumni status and to educate Collegiate Brothers on the meaning of a lifetime of true brotherhood.

The Chapter may provide in its bylaws for the establishment of any other necessary or appropriate elected or appointed officers in addition to those stated in Code 3-1 of this *Statutory Code*, with such powers and duties as may be prescribed by the Chapter in its bylaws, not inconsistent with the Laws of the Fraternity. The Grand High Zeta may review any such additional office and may allow or disallow it. No such other officer shall bear a Greek-letter designation.

CHAPTER COMMITTEES

Code 3-10. Executive Committee.

- a. The High Pi, High Alpha, High Tau, and two Collegiate Brothers or Associate Members elected as at-large members in a manner to be defined in the Chapter bylaws shall constitute the Executive Committee. The Chapter shall also elect an alternate member who is authorized to exercise full voting privileges in the absence of any member of the committee, except with reference to the absence of the High Pi or High Alpha. A Collegiate Brother who is participating in a study abroad program that takes him outside the country of his Chapter for not less than a full term, or a similar university-sponsored domestic-based program that removes him from campus for not less than a full term, shall be deemed as having Inactive Standing for that period of time he is so participating in the program, and will not be required to pay General Fraternity dues or fees. Such a Collegiate Brother will automatically be removed from Inactive Standing upon completion of the study abroad or domestic-based program.
- d. A Collegiate Brother who has paid dues and other charges for each of eight full semesters, 12 full quarters, or the equivalent thereof, shall have the option of assuming Inactive Standing. Where such a Collegiate Brother desires to vote or hold office, he shall fulfill all obligations of Collegiate Brothers, including the payment of all General Fraternity and Chapter dues, fees and assessments. Where such a Collegiate Brother desires otherwise to represent the Chapter or participate in the social, philanthropic, athletic, or other programming of the Chapter, he shall pay General Fraternity dues, fees and assessments and in addition such proportion of Chapter active dues as the Chapter deems proportionate to the member's participation in Fraternity activities.
- e. A Collegiate Brother at an institution other than the one at which he was initiated and who does not contribute to the support of a Chapter in the form of regular dues shall have Inactive Standing for as long as he remains an undergraduate student.
- f. A Collegiate Brother with Inactive Standing shall not be entitled to vote in Chapter meetings, hold office, represent his Chapter, or exercise other rights and privileges reserved for Collegiate Brothers, however, he shall retain the right to attend Chapter meetings and initiations.

Section 2. Manner of Association. Chapters shall associate, initiate, and educate men only in strict accordance with the Laws of the Fraternity.

Code 4-3. Voting on Prospective Associate Members. A vote on the association of a man to the Fraternity may be taken at any scheduled meeting, provided a quorum of both the Collegiate Brothers

and Associate Members is present. A prospective Associate Member's name must be proposed by one Collegiate Brother or Associate Member of the Chapter and seconded by another Collegiate Brother or Associate Member. The number of favorable votes necessary to accept a prospective Associate Member shall be determined by the Chapter in its Bylaws provided that no Chapter shall require less than 66 percent favorable vote nor more than 87 percent favorable vote of the Collegiate Brothers and Associate Members present and voting. The Chapter may set a minimum favorable vote as low as 51 percent on association if the institution so requires.

Code 4-4. Scholastic Requirements of Associate Membership and Initiation. To be eligible for associate membership or initiation, a man must have been granted unconditional admission to the institution, unless he has completed one or more terms of college work in which case he must have achieved during the previous grading period a scholastic average that shall be determined by the Chapter in its Bylaws, but that shall not be less than a 2.5 on a 4.0 scale, or the all-men's average (if this information is available), whichever is the lesser, but in any event not less than the scholastic average required for graduation. In no case shall any Chapter be authorized to waive existing college or university requirements for association or initiation. The Grand High Zeta shall be empowered by petition to adjust academic requirements on certain campuses. To be eligible for association or initiation, each prospective Associate Member or candidate shall be required to authorize the college or university to inform the High Sigma whether or not that person's scholastic average meets the requirements of this section.

Code 4-5. Special Powers and Limitations of the Committee on Membership. During any formal recruitment period recognized by the institution, a Chapter may grant to a Committee on Membership the absolute right to offer or decline to offer Associate Membership, or authorize some Member or Members to offer Associate Membership, to any individual deemed worthy of association by the Committee on Membership. Should such powers be granted to the Committee on Membership, a subsequent vote must be taken prior to initiation, according to the method of voting as outlined in Code 4-9 of this *Statutory Code*.

Code 4-6. Termination of Associate Membership; Reassociation.

- a. Associate Membership may be terminated at any time by a vote of the Collegiate Brothers present and voting, provided the action on such motion lies on the table for one week prior to termination. The number of votes necessary to continue Associate Membership shall be the same as the number

- required by the Chapter Bylaws to accept a candidate for initiation at the time of the final vote for initiation.
- b. Associate Membership shall be terminated automatically if an Associate Member shall have failed for each of two successive semesters or three successive quarters to maintain the scholastic average required for graduation by the institution.
 - c. Associate Membership shall be terminated automatically after the expiration of 15 calendar months, whether consecutive or not, provided that at least two regular initiations shall have been held during such period. If not more than one regular initiation shall have been held during the 15-month period, the Associate Membership shall be terminated automatically upon the holding of the first regular initiation following the 15-month period of Associate Membership.
 - d. A former Associate Member may be reassociated only in the manner provided in Code 4-3 of this *Statutory Code*, provided however that a person whose Associate Membership has been terminated pursuant to the provisions of subsection (c) shall not thereafter be reassociated unless authorization therefor is given by the Grand High Zeta.. A former Associate Member who is reassociated shall be subject to all requirements of the Laws of the Fraternity and the Chapter, except that he shall not be required to pay the General Fraternity Associate Member Fee a second time. A former Associate Member who is reassociated must be approved for initiation in the manner prescribed in Code 4-9 of this *Statutory Code* following his reassociation, notwithstanding the fact that he may have been approved for initiation prior to being disassociated.

Code 4-7. Instruction of Associate Members and Initiates. Each Chapter shall adopt a definitive program of study on the history, organization, administration, and ideals of Lambda Chi Alpha, minimum requirements for which shall be formulated under the direction of the Grand High Zeta. This course of study shall be provided for the particular benefit of Members.

Code 4-8. Hazing of Associate Members and Initiates. Hazing Members shall not be permitted at any time, whether on or off Fraternity premises. Hazing is defined as any action taken or situation created intentionally to produce physical discomfort or mental discomfort by embarrassment, harassment, or ridicule.

Section 3. Membership Requirements for All Initiates. The General Fraternity is and shall remain the sole and final authority with respect to the requisites

for membership in Lambda Chi Alpha. Only the following shall be eligible for membership in Lambda Chi Alpha: College men of good moral character whose ideals, characteristics, and attainments are such as will make them compatible, congenial, and worthy members of the Fraternity, who comply with the Laws of the Fraternity, and who are not members of any unit of any similar national general social college fraternity, or any similar local general social college fraternity, club, or other group of like character at the college or university at which the Chapter of Lambda Chi Alpha initiating them is situated.

All initiates, except honorary initiates at the time of initiation, shall be either students at the college or university where a Chapter of Lambda Chi Alpha is established or former active members of a local society to which a Lambda Chi Alpha charter has been granted, except that, in unusual cases, students or instructors otherwise meeting the regular requirements for membership may be initiated with the special permission of the Grand High Zeta.

No candidate of whatever membership classification shall be initiated unless he shall have paid in full, in cash, in advance, the Initiation Fee of the Chapter into which he is received.

Code 4-9. Voting on Candidates for Initiation. A vote for membership may be taken at any meeting of the Chapter, provided a majority of the Collegiate Brothers are present. A candidate's name must be proposed by one Collegiate Brother of the Chapter and the proposal seconded by another Collegiate Brother. The final vote on a candidate for initiation shall be held at a time to be determined by the Chapter. The number of favorable votes necessary to accept a candidate for initiation shall be determined by the Chapter in its Bylaws, provided that no Chapter shall require less than 66 percent favorable vote of those Collegiate Brothers present and voting, nor more than 87 percent favorable vote of those Collegiate Brothers present and voting. A Chapter may set a minimum favorable vote as low as 51 percent if the institution so requires.

Where only the minimum number of unfavorable votes is cast, the Collegiate Brother or Brothers voting negatively, whether or not a secret ballot has been cast, shall, upon request of any Member, declare themselves and give reasons for so voting. Whereupon another vote shall be taken on the candidate for initiation, in which at least one unfavorable vote over the minimum number above specified shall be required to reject the candidate for initiation. A Member voting unfavorably who under the above circumstances refuses to declare his reason for voting negatively shall be regarded as having surrendered his original ballot as if he had not voted.

If an insufficient number of favorable votes are cast on such final vote to accept a candidate for initiation, the vote will be treated as a motion

for termination of Associate Membership. The motion for termination shall be acted upon as provided by Code 4-6(a) of this *Statutory Code*, including the stipulation that the motion lies on the table for one week prior to termination. A candidate for initiation whose Associate Membership has been terminated may be reassociated only as provided in Code 4-6(d) of this *Statutory Code*.

Code 4-10. Official Authorization Required to Initiate. No Chapter or any other group now authorized or to be authorized to perform initiations, shall be free to proceed with an initiation, even if in all other respects it is fully authorized, unless first it shall have obtained from the Office of Administration a written or electronic Authorization to Initiate bearing the signature of the Executive Vice President or the ranking officer in the Office of Administration and attesting to the fact that the candidate's General Fraternity Associate Member and Initiation Fees have been received by the Office of Administration.

Section 4. Honorary Membership. The Grand High Zeta shall have the authority to authorize the honorary initiation of individuals who are not undergraduate students at the college or university where a Chapter of Lambda Chi Alpha is established, pursuant to the following provisions and procedures:

- a. **Method of Selection.** Voting on candidates for honorary initiation by a Chapter shall be conducted in the same manner as provided in Code 4-9 of the *Statutory Code*. Voting must be held at least 45 calendar days prior to the scheduled initiation date.
- b. **Method of Recommendation.** Chapters shall recommend candidates for honorary initiation by petition on a form provided by the Office of Administration. The petition shall be submitted to the Office of Administration at least 30 days prior to the proposed initiation date for the candidate, and must be supported by at least three letters of recommendation that attest to the character of the candidate and indicate evidence of his demonstrated interest in and service to the Fraternity. Members of a college or university administration, as well as trustees, officials, or members of the teaching staff, may also be recommended for honorary initiation.
- c. **Use of Discretion.** Chapters should use discretion when discussing with possible candidates the question of membership, since the final authorization for approval of honorary initiations rests with the Grand High Zeta.

Section 5. Methods of Initiation. Under normal conditions, a Member shall be initiated by taking part in the Initiation Ritual. Exceptions shall be permitted only in the following cases:

- a. Honorary initiation shall be by witnessing the exemplification of the Initiation Ritual in its entirety, and by taking the Oaths.
- b. At the time of the installation of a Chapter or establishment of a Colony, only one member of the incoming Chapter or Colony shall take the part of a candidate. All other members of the incoming Chapter or Colony shall take the Oaths, however, and shall witness the Initiation Ritual.
- c. Under unusual conditions, such as in time of war or when the candidate is at the point of death or is suddenly leaving the country or is at such great distance from any Chapter that return for initiation is impracticable, the candidate may hear the *Initiation Ritual* read by a duly initiated member in good standing and shall take the Oaths with said member as a witness. Initiations of this type shall be conducted only with the special authority of the Grand High Zeta. In circumstances where an Associate Member in good standing has died prior to initiation, upon petition by the Chapter of that Associate Member, the Grand High Zeta may add said Associate Member to the roll of the Chapter and assign him a Zeta number consistent with the provisions of Section 6-22 of the *Statutory Code*.

Section 6. Rights and Duties of Members. All rights, duties, privileges, and obligations of membership in the Fraternity are reserved and restricted for Brothers of Lambda Chi Alpha unless otherwise provided in the *Constitution* and *Statutory Code*. Only Members who meet the membership requirements specified in Article 4, Section 3 of the *Constitution* shall have any privileges of membership, participation, or association except as may be provided in the Laws of the Fraternity or as specifically authorized by the Grand High Zeta. No Collegiate Brother in good standing will be discriminated against, nor shall his right to attend meetings, vote, or hold office be denied or abridged. Alumni Brothers may vote or hold office in a Chapter only with the consent of the Chapter and the Grand High Zeta. Cessation of a college course of study shall not be considered as canceling the general fact of membership or reducing or modifying the moral obligation of a Brother to the Fraternity. Membership shall be for life, and shall be terminated only by death, resignation, or expulsion. In addition to these rights and duties, and those included elsewhere in the Laws of the Fraternity, each Brother shall have the following specific obligations:

- a. To abide by the Laws, customs, traditions, and usages of the Fraternity.
- b. To pay promptly all legally assessed dues, service charges, and fines. Every Collegiate Brother and Associate Member who is an undergraduate student at the institution where his Chapter is located shall be required to pay local and General Fraternity dues, fees and assessments unless he has been granted Inactive Standing. A Collegiate Brother or Associate Member who defaults in the payment of dues or

other obligations owed by him to his Chapter shall be automatically suspended for financial delinquency pursuant to Code 8-7 of the *Statutory Code*.

- c. To attend all regular meetings, all performances of the Initiation Ritual, and all official functions of the Fraternity or its Chapters when possible. Every Member in attendance and entitled to vote at all regular meetings of the Fraternity shall vote on all matters before the meeting, including votes on association and initiation, unless the Chapter for special reason shall excuse him.
- d. With respect to Collegiate Brothers and Associate Members, to live in and take meals at the Chapter house where such facilities are provided, unless excused by the Chapter bylaws, the Chapter Executive Committee or Code 4-2(b) of the *Statutory Code* as applicable, or unless the rules of the institution require otherwise.
- e. To put forth a definite effort to assist in the acquisition of new members of desirable type.

Code 4-11. Proof of Membership.

- b. Every Brother shall receive a membership card attesting to his affiliation with Lambda Chi Alpha.

Code 4-12. Affiliation; Certificate of Transfer.

- a. A Collegiate Brother who transfers to a college or university other than the one at which he was initiated may affiliate with the Chapter located at such institution provided he presents satisfactory documentation from his initiating Chapter or from the Office of Administration attesting to his good standing with his initiating Chapter and any other Chapters he may have affiliated with pursuant to this Section.
- b. A Collegiate Brother who has affiliated with a Chapter other than his own may terminate said affiliation at any time provided he is in good standing or is officially released by said Chapter. If a Collegiate Brother terminates his affiliation, he may not reaffiliate without approval of a majority vote of said Chapter. Nothing further is required if the said Collegiate Brother wishes to become once again a Collegiate Brother in his own Chapter.

- c. An Associate Member who transfers to another college or university shall not automatically be entitled to transfer his Associate Membership. Such transfer student, however, may be associated by the Chapter located at the new institution provided he meets all the requirements of the Chapter and the General Fraternity. The General Fraternity Associate Member Fee shall not be payable again in the event of the reassociation under these circumstances.

Section 7. Registration of Members. Chapters, in recording data concerning initiated members, shall use only the system devised for this purpose by the Laws of the Fraternity.

The series of Zeta numbers for each Chapter shall start with one and continue upward regularly without interruption. There shall be no changing of Zeta numbers after they have been reported to the Office of Administration as a part of the initiate's biographical record, and Zeta numbers shall remain on the roll of the Chapter in cases of death, resignation, and expulsion and never be reassigned.

Code 4-14. Brothers in Good Standing at Time of Revocation.

Colonies are exempt from the Basic Chapter Fee until the earlier of (i) the second anniversary of their colonization, or (ii) the date of chartering.

The fees established in Subsections (a) through (e) of this Code 5-3 shall remain in effect through June 30, 2015. Thereafter, such fees shall be in an amount established by the Grand High Zeta at its Spring meeting, to be effective on the July 1 next following such meeting, provided that no annual increase shall be greater than five percent (5%) of the fees established by the Grand High Zeta the previous year. Any such annual increase shall be reviewed by the Student Advisory Committee and shall be communicated to the membership no later than the May 30 in advance of the effective date of the increase.

It is worn only on a collared shirt. It is not worn on a jacket of any type including the coat-style sweater. It may also be worn in similar fashion by a fiancée, wife, mother, or sister of a Brother in good standing, or by a housemother. The badge guard normally is the Greek letter(s) designating the Zeta; without exception the guard is worn by all Brothers so that the guard is clearly below the Delta Pi on the Badge. The one authorized variation is that charter members of a chapter may wear the badge of the preceding well-established local society in place of the Zeta designation. The Badge is never appropriate on stationery or for similar decorative purposes. The Coat of Arms, the crucicrescent, or possibly the seal should be used instead.

Code 6-6. Coat of Arms. The Coat of Arms may be used as a motif for the decoration of stationery, jewelry, silverware, etc. but under no circumstances shall it be applied without the sign of copyright as part of the design, nor shall it be so used without the permission of the Office of Administration. Brothers may wear only the Official Graduation Cords sponsored by and made available by the Fraternity to Brothers for purchase from approved vendors. A Brother may wear Official Graduation Cords only during his commencement exercises, or otherwise when he is wearing appropriate graduation regalia, and the Cords must be worn about the neck in the traditional and appropriate manner.

Code 6-11. Fraternity Intellectual Property. Any intellectual property of the Fraternity, including all names, mottoes or symbols that are patented, trademarked or copyrighted by the Fraternity, shall only be used in such ways that are approved by the Office of Administration. The Office of Administration shall supervise the use of Fraternity intellectual property and shall take appropriate action against any Member, any Chapter, or any other person or organization that may use any Fraternity intellectual property in a way considered improper or offensive in the discretion of the Office of Administration. The Grand High Zeta shall have the authority to establish policies with respect to licensed vendors of items containing intellectual property of the Fraternity.

All current and nominated Order of Merit recipients shall be presented to the General Assembly when in attendance. Existing members in the Order of Merit shall have a vote in the General Assembly when present at its meetings. Those members receiving the Order of Merit at a General Assembly shall not have a vote at that General Assembly.
- c. Members of the Grand High Zeta are eligible for membership in the Order of Merit for distinguished service to the Fraternity beyond

their service on the Grand High Zeta, but they shall not be eligible for membership in the Order of Merit during their term of service on the Grand High Zeta.

Section 4. Order of Achievement. The Lambda Chi Alpha Order of Achievement shall consist of living or deceased Alumni Brothers who have distinguished themselves by outstanding success in the fields of business, industry, the arts, science, or other chosen professions and thereby have brought honor and respect to the Fraternity. They shall be elected and governed by the following regulations:

- a. The distinction of membership in the Order of Achievement shall be conferred by the Grand High Zeta on up to ten Alumni Brothers during any given calendar year, upon recommendation by the Chapters, the Office of Administration, or Brothers in good standing. The Grand High Zeta may adopt criteria and protocols to provide guidance in the recommendation process.

Section 5. Disciplinary Procedures. The procedures set forth in Code 7-2 through Code 7-6 of the *Statutory Code* are written for the Chapter. They serve

Code 7-2. Preferring Charges.

- a. Charges may be preferred either by a Member against another Member, or by the Executive Committee against a Member. - b. Upon the preferring of charges pursuant to Code 7-2 above, the Executive Committee shall hold a disciplinary hearing within twenty (20) calendar days. The Executive Committee may determine its own hearing procedures, provided that the basic rights in Article 7, Section 4 of the *Constitution* have been met. At the conclusion of the hearing, the Executive Committee may impose any penalty by majority vote, except expulsion, which shall require a two-thirds vote.
- c. If charges are initiated by or brought against an Executive

Committee member, or an Executive Committee member has, in the opinion of the remaining Executive Committee members, a conflict of interest with regard to such charges, he shall relinquish his membership on the committee immediately and remain inactive from the committee until final disposition of the case. In his place the elected alternate shall serve as acting Executive Committee member. If additional Executive Committee members or the alternate also have charges initiated by them or made against them, the Chapter shall hold a special election for alternate Executive Committee members as described in Code 3-30 of this *Statutory Code* within seven (7) calendar days to elect temporary Executive Committee members. If charges are initiated by or imposed against the High Alpha, the High Beta rather than the alternate shall become the temporary member of the Executive Committee. Under no circumstances will any alternate Executive Committee member serve in place of the High Pi in the event of the High Pi's unavailability.

A copy of the charges and the notice shall be delivered to the Chapter's Collegiate Brothers and Associate Members in person, by regular mail or by electronic mail, or it may be posted on the Chapter's bulletin board or other place, electronic or otherwise, used for private notices to the Chapter. The Presiding Officer shall establish the procedures for the hearing, he shall maintain absolute decorum during the hearing, and he may expel from the hearing any Member who, in his opinion, does not maintain proper decorum. The Presiding Officer shall see that all rights and interests of the accused Member, of the Member preferring the charges, and of the Fraternity are protected. The Presiding Officer shall rule on all questions of testimony, admissibility of evidence, and motions, and all such rulings are final and subject to review only if the case is appealed as provided below.
- e. **Record.** The High Gamma or, in his absence, a person designated by the Presiding Officer shall keep a written record of all proceedings, and that record shall be maintained as established in Code 7- 6 of this *Statutory Code*. - (iv) copies of all documents offered into evidence; and (v) a notation as to presence or absence of the accused and his counsel.
- f. **Evidence.** A Formal Disciplinary Hearing is a Fraternity hearing and will not be perceived as or bound by the rules of a civil or criminal legal hearing. The hearing process will be within the discretion of the Presiding Officer, but it will generally be as follows:
1. The Presiding Officer will read the charges and a representative of the Executive Committee will make a brief opening statement. The accused Member will be allowed a brief opening statement in response to the charges.
 2. A representative of the Executive Committee will present its evidence, including witnesses. The accused Member will be allowed to present his evidence, including witnesses. Cross examination of witnesses brought by the Executive Committee and the accused Member will be allowed. All witnesses shall be put under oath to tell the truth.

 4. The Presiding Officer may allow rebuttal and surrebuttal testimony at his discretion.
 5. The Presiding Officer will allocate equal time for closing arguments to the Executive Committee and to the accused Member. A representative of the Executive Committee will open argument and the accused Member will close argument. The Presiding Officer may then summarize the evidence, but his summary will not be binding on the Chapter.
 6. Recess during the hearing may be had as determined by the Presiding Officer, but no undue or unnecessary delay should be permitted.
 7. The presiding officer may, but is not required to, exclude any or all fact witnesses from the hearing room until they have testified and may instruct them not to discuss their

expected testimony with anyone until the hearing has concluded.

g. Determination.

1. At the conclusion of the evidence and the closing statements, the Presiding Officer shall call for a vote on the offense charged and the accused Member shall be excluded from the hearing room. If there is more than one offense and/or more than one accused Member, the vote shall be taken on each offense and each accused Member separately. At the request of any Member entitled to vote, the vote shall be held by secret ballot. A majority vote shall decide all questions of guilt. The Member preferring the charges and the accused Member, or Members if the hearing relates to a series of related offenses, shall not be entitled to vote on any questions of guilt. The Presiding Officer shall vote only in the event of a tie.
2. If the accused Member is found not guilty, the hearing shall be adjourned.
3. If the accused Member is found guilty, a representative of the Executive Committee shall propose, on behalf of the Executive Committee, one or more of the penalties set out in Code 7-1 of this *Statutory Code*, which shall include, if the penalty proposed is suspension, fine, or other lawful penalty, the period of suspension, the amount of the fine, or the specific lawful penalty.

At the request of any Member entitled to vote, the vote shall be held by secret ballot. The Member found guilty shall not be entitled to vote on his penalty. If the vote on the proposed penalty fails, a representative of the Executive Committee shall propose another penalty or penalties and a vote shall be taken until a majority of the Members present and voting have agreed upon a penalty.
5. If the penalty is a suspension or fine, the Executive Committee shall propose the period of suspension or the amount of the fine. The accused Member may respond. A vote shall then be taken as to the recommended designated period of suspension or recommended fine. If the recommendation fails, then the Presiding Officer will

open the hearing for motions from all Members present until a penalty is determined. Parliamentary rules shall be in effect.

6. If the determination is for probation (indefinite or for a designated period of time), the Presiding Officer shall allow the Executive Committee to propose the terms (and, if applicable, the time) of the probation. The accused Member may respond. A vote shall then be taken on the recommendations. If the recommendations fail, the Presiding Officer shall open the hearing for motions from all Members present until a penalty is determined.
7. If the determination is for other lawful penalty, the same procedures shall be followed beginning with recommendations by the Executive Committee.
8. If the penalty is censure, the Presiding Officer shall censure the accused.

Code 7-5. Appeal from Decision of the Formal Disciplinary Hearing.

The appealing Member shall give written notice of his intention to appeal to the High Gamma and the General Fraternity Office of Administration within ten (10) calendar days of the decision. Thereupon, the High Gamma shall prepare the record on appeal as designated in Code 7-4(e), above. - c. The Grand High Pi shall approve or disapprove the decision of the Chapter within twenty (20) calendar days of his receipt

of the written appeal, during which time the penalty imposed by the Chapter shall be in force, unless stayed by Presiding Officer or the Grand High Pi in his discretion. In case the Grand High Pi shall disapprove the decision of the Chapter, he may modify the penalty, reverse the decision, or order a new trial. The decision of the Grand High Pi shall be final and binding.

Code 7-6. Hearing Records. The written record of all Formal Disciplinary Hearings that result in discipline must be deposited with the Chapter's High Pi (or in the case of a Chapter with no High Pi, the Grand High Pi) and with the General Fraternity Office of Administration. Any Collegiate Brother or Associate Member who shall not have paid his Chapter or General Fraternity bill by the 10th calendar day after such bill is due shall be considered delinquent, and if he shall not have paid his bill by the 30th calendar day after such bill is due he shall be automatically suspended. The Chapter in its Bylaws may provide for shorter time periods. The General Fraternity shall not sanction the acceptance of other than valid and negotiable notes by any Chapter in settlement of accounts, or as a means of reinstatement after suspension. The terms of suspension for financial delinquency are the same as the terms of suspension for disciplinary reasons as set forth in Section 7-1(c). Upon full satisfaction of his delinquent accounts, a Member shall be returned to good standing automatically unless he is subject to other disciplinary terms or unless the Chapter's Executive Committee proceeds with further disciplinary action.

1. The High Sigma shall report to the Chapter and to the Office of Administration the names of all Members on scholastic probation.
 2. A Chapter may set its own terms for a Member on scholastic probation, but at a minimum any Member on scholastic probation shall:

 - (b) Not hold any elective or appointive office in the Chapter; provided that a Member on scholastic probation who has not yet received his grades for the current grading period by the time of Chapter elections for a future term may be conditionally elected to an office, but he shall be removed from office automatically should he fail to meet the minimum scholastic average; and
 - (c) Not attend Chapter functions that the Executive Committee feels would interfere with his academic progress.
 3. A Member on academic probation shall be removed from probation upon furnishing proof to the Executive Committee from the institution that his scholastic average entitles him to be removed from probation.

- c. **Scholastic Suspension.** Any Member on scholastic probation who fails during the ensuing term to meet the minimum scholastic averages set forth in Code 7-8(a) shall automatically be placed on scholastic suspension.
1. The High Sigma shall report to the Chapter and to the Office of Administration the names of all Members on scholastic suspension.

 3. A Member on academic suspension shall be removed from suspension upon furnishing proof to the Executive Committee from the institution that his scholastic average entitles him to be removed from suspension.
 4. At the discretion of the Executive Committee, any Member may have the scholastic suspension as enforced in Code 7-8(c) changed back to scholastic probation as defined in Code 7-8(b) if his cumulative average fails to meet the minimum scholastic average but if his scholastic average for the term just ended was at least a 2.5 (on a scale of 4.0), or that required by the Chapter Bylaws, whichever is greater.
- d. A senior shall not be disciplined for scholastic deficiency during the final term before graduation if his cumulative average equals or exceeds graduation requirements. A Member who is disciplined solely for scholastic deficiency shall, upon graduation, automatically become an Alumni Brother in good standing. A Member who withdraws from college prior to graduation and who is under discipline for scholastic deficiency but is otherwise in good standing shall automatically become an Alumni Brother in good standing, provided, however, that

should he again enroll in college, he shall automatically revert to the same undergraduate membership status as was in effect prior to his withdrawal.

- e. A Member under scholastic discipline who transfers to another college or university shall be automatically placed on probation for one term by the Chapter with which he affiliates. If he fails during the ensuing term to achieve the minimum scholastic averages as set forth in Code 7-8(a), he shall be placed on scholastic suspension as set forth in Code 7-8(c).

Section 9. Discipline of Members of the Student Advisory Committee. Members of the Student Advisory Committee shall be subject to discipline by the General Assembly or the Grand High Zeta for infractions relating to the performance of duties, or for improper conduct or failure to properly perform the responsibilities expected by membership on this committee. When questions of jurisdiction arise, the Grand High Pi shall make the final determination.

Code 7-9. Reinstatement after Penalty.

- a. In order to be reinstated after expulsion or indefinite suspension, the Member must present a petition for reinstatement to the Chapter that expelled or suspended him. No such petition may be presented within one year of the date of indefinite suspension nor within five years of the date of expulsion. The petition shall contain a narrative history of the Member and his association with the Fraternity, the

circumstances of his expulsion or suspension, and the reasons for application of reinstatement. Upon receipt of a petition for reinstatement, the Executive Committee of the Chapter shall within ten (10) regular business days present to the Chapter:

1. The petition.
2. The original transcript from the High Pi's files or a copy secured from the General Fraternity, where available.

The Chapter may hear statements from Members knowledgeable about the facts of the case. The petitioning Member shall be allowed to attend the hearing and orally present his petition; however, he shall not be present during the voting. All Collegiate Brothers and Associate Members in good standing are entitled to vote at the meeting, but there shall be no voting by proxy. In the matter of reinstatement from expulsion, a three-fourths favorable vote of those present and voting is necessary for reinstatement either in full or for a lesser disciplinary status. In the matter of reinstatement from indefinite suspension, a majority favorable vote of those present and voting is necessary for reinstatement either in full or for a lesser disciplinary status. The decision of the Chapter, whether favorable or unfavorable, along with a copy of the petition shall be provided to the Chapter's High Pi (or the Grand High Pi, as appropriate) and one copy shall be forwarded to the General Fraternity by the Chapter's secretary. If the vote is unfavorable, the expelled Member may not re-present his petition for a period of at least one calendar year, and the suspended Member may not re-present his petition for a period of at least 180 calendar days. The Grand High Zeta may, in extraordinary circumstances, order any expelled or suspended Member reinstated in full or reinstated and placed on a lesser disciplinary status.

- b. An Associate Member disassociated from the Fraternity may be reassociated only as provided for in Code 4-3 of this *Statutory Code* and subject to conditions in Code 4-6 of this *Statutory Code*.
- c. Notwithstanding the foregoing provisions of Code 7-9(a) or (b)

above, any application for reinstatement from suspension or expulsion arising out of an Alumni Control Board authorized under Article 3, Section 8 of the *Constitution*, must be made to the chairman of the Alumni Control Board, or, in his absence, to the Grand High Pi.

Section 10. Dues and Fees during Disciplinary Period. A Member who is suspended or on probation shall be required to pay prior to return to good standing a fee at least equal to the regular dues of the Chapter and any General Fraternity active dues accrued during the disciplinary period, unless excepted therefrom by the terms of his probation.

ARTICLE 8

Discipline of the Active Chapter

Section 1. Probation for Disciplinary Reasons. The General Assembly or the Grand High Zeta may at any time place any Chapter on probation if, in the judgment of either, such action is necessary for disciplinary reasons.

Code 8-1. Effects of Probation.

- a. A Chapter shall be subject to the specific terms of probation as determined by the General Assembly or the Grand High Zeta in its discretion. The Grand High Zeta may delegate to Staff the authority to determine the specific terms of probation for a Chapter pursuant to probation protocols to be developed by the Office of Administration from time to time and published on the Fraternity's official website after such terms have first been approved by the Grand High Zeta. A Chapter on probation may also be subject to a hearing before the General Assembly.
- b. A Chapter may be removed from probation:
 1. by reason of the satisfaction of the terms of probation, confirmed in writing by the Grand High Zeta, which may be upon the recommendation of the Office of Administration, or
 2. by action of the General Assembly or the Grand High Zeta, either on its own initiative or upon a Petition for Reinstatement as provided for in Code 8-3 of this *Statutory Code*.

Section 2. Suspension for Other than Financial Reasons. The General Assembly or the Grand High Zeta may suspend a Chapter's Operations indefinitely if, in the judgment of either, such action is justified for disciplinary or non-disciplinary reasons, on 30 days' notice, provided that charges held against the Chapter shall have been thoroughly investigated including where local conditions are such as to render the continuance of the Chapter questionable or impossible for a period of time but where there is the intention of re-establishing operations when such unfavorable conditions are removed or are improved sufficiently to justify reinstatement of the Chapter. Notice of the suspension shall be given to the officers of the Chapter and the Chapter's House Corporation or Alumni Advisory Board and host institution.

Section 3. Emergency Suspension for Other than Financial Reasons. If, in the opinion of the Grand High Zeta, an emergency exists at a Chapter, the Grand High Zeta may immediately suspend a Chapter's operations without prior notice. Any suspension order issued under this section shall set forth the

nature of the emergency condition and why an emergency order is warranted. Such suspension shall immediately be communicated to the Chapter, the Chapter's House Corporation or Alumni Advisory Board and host institution. This suspension shall continue during any period of investigation. Following an investigation the Grand High Zeta may impose any conditions warranted to assist the chapter in attaining acceptable operating standards. The Grand High Zeta may also suspend chapter operations indefinitely until such unfavorable conditions are removed or are improved sufficiently to justify reinstatement of the Chapter. Notice of any probation terms or suspension order must be transmitted to the Chapter, the Chapter's House Corporation or Alumni Advisory Board and host Institution.

Section 4 Suspension for Financial Reasons.

- a. Invoices issued to Chapters by the Office of Administration are payable within 30 days of the date of issuance. Any Chapter failing to meet its financial obligations to the General Fraternity within 30 days from the date of issuance of an invoice or within 30 days after a financial obligation is due pursuant to the terms of the *Constitution* or the *Statutory Code* shall be deemed to be in arrears. Any Chapter failing to meet its financial obligations to the General Fraternity within 30 days from the date it is deemed to be in arrears shall automatically be on financial probation. Any Chapter failing to meet its financial obligations to the General Fraternity within 30 days after it is on financial probation shall automatically be on financial suspension.
- b. A Chapter will automatically be removed from financial probation or financial suspension (a) upon becoming current with all financial obligations to the General Fraternity; or (b) upon the granting by the Grand High Zeta of a petition demonstrating extraordinary circumstances and an agreement between the Chapter and the Grand High Zeta on terms for becoming current with all financial obligations. Removal from financial probation or financial suspension does not preclude probation or suspension for other than financial reasons.

Section 5. Termination of a Colony. Any Colony must meet the standards for chartering set forth in Article 3, Sections 2 and 3 of this *Constitution* within two years after the date of colonization, which shall be the date of the first Associate Member Ceremony performed by or for the Colony. If a Colony created during a spring term reaches its second anniversary of the colonization without having met the standards for chartering, the Colony shall be brought before the Status of Chapters Committee at the General Assembly or Leadership Seminar next following that two-year anniversary to show cause why the Colony shall not be terminated. If a Colony created during a fall or summer term reaches its second anniversary of colonization without having met the standards for chartering, the colony's case shall be brought before the Grand High Zeta at its next scheduled

meeting. If the Status of Chapters Committee or Grand High Zeta elects not to terminate the Colony at that time and if the Colony fails to meet the standards for chartering within the ensuing year then the Colony, unless the Grand High Zeta determines otherwise, shall be terminated as of that date that is the first anniversary of the adjournment of the General Assembly or of the meeting of the Grand High Zeta, respectively.

Code 8-2. Effects of Suspension of a Chapter and Termination of a Colony.

- a. A Chapter that has been suspended, whether for financial reasons or otherwise, or a Colony that has been terminated, shall not thereafter hold itself out to be connected in any way with the Lambda Chi Alpha Fraternity and shall be denied all rights of a Chapter, including without limitation, (i) recognition in publications, (ii) receipt of confidential publications, (iii) voice or vote in the General Assembly, (iv) the right to purchase jewelry, (v) the right to associate new Members, (vi) the right to initiate new Members, (vii) the right to participate in social affairs, and (viii) the right to participate in interfraternity affairs.
- b. All Collegiate Brothers of such suspended Chapter or terminated Colony shall continue to have all of the rights and privileges of Members of the Fraternity, but shall have Inactive Standing until they cease to be undergraduates, at which time they shall be considered Alumni Brothers. All Associate Members of such Chapter shall cease to be Members of the Fraternity, unless, at the discretion of the Grand High Zeta, they shall be initiated into the defunct Chapter by the Brothers of another Chapter, immediately after which they shall be deemed to have Inactive Standing with the defunct Chapter. Subject to the provisions and limitations of Code 4-12 of this *Statutory Code*, nothing in this section prevents a Collegiate Brother or an Associate Member from transferring to another school where there is a Chapter and affiliating with such Chapter.

Section 6. Review. A Zeta that has been suspended indefinitely by the Grand High Zeta under Section 2 or 3 or a Colony that has been terminated by the Grand High Zeta under Section 5 may appeal such order to the Grand High Zeta. The Grand High Zeta may order any such Chapter or Colony reinstated in full or reinstated and placed on probation on terms to be established by the Grand High Zeta. Should the Grand High Zeta decline reinstatement, the Chapter or Colony may appeal such order to the next General Assembly. The General Assembly may, upon a majority vote of those present and voting at the General Assembly, order any such Chapter or Colony reinstated in full or reinstated and placed on probation on terms to be established by the General Assembly.

Code 8-3. Process for Review of an Order of Probation or Suspension of a Chapter or Termination of a Colony.

- a. A petition to the Grand High Zeta appealing an order of probation or suspension of a chapter or termination of a colony must be filed with the Grand High Zeta, either electronically or by hard copy, within 45 days of the effective date of the original order. The petition must be signed by (i) a Member of the Chapter Executive Committee, (ii) the High Pi, (iii) a representative of the House Corporation or Alumni Advisory Board, and (iv) the Director of Greek Affairs or other responsible Member of university administration. The petition must include a narrative history of the facts giving rise to the probation, suspension or termination and the reasons for application for reinstatement, including a definitive plan for remediation of the deficiencies that gave rise to the probation, suspension or termination. Upon receipt of such a petition, a report shall be prepared by or on behalf of the Grand High Pi stating fully the relevant facts and the reasons for the probation, suspension or termination, and this report shall become part of the record before the Grand High Zeta.
- b. A review of the petition for reinstatement will be included in the agenda for the next regularly scheduled meeting of the Grand High Zeta. The Grand High Zeta may hear statements from Members knowledgeable about facts of the case and from responsible Members of university administration where appropriate. The decision of the Grand High Zeta will be in writing and will be provided promptly to those signing the petition for reinstatement.
- c. A petition to the General Assembly appealing an order of the Grand High Zeta denying reinstatement must be filed with the Grand High Zeta within 45 days of the effective date of the order denying reinstatement. The petition must be signed by the parties who signed the original petition for reinstatement or their successors. The petition must include the original petition, the report of the Grand High Pi, the order of the Grand High Zeta denying reinstatement, and the reasons for appeal of that order.
- d. The appeal of the order of the Grand High Zeta shall be included in the agenda for the next General Assembly. The petition on appeal and all attendant materials shall be provided to all Official Delegates and Members with franchise in advance of the General Assembly. The process on the floor

of the General Assembly shall be within the discretion of the Chair, provided that (1) the matter shall first be reviewed by one of the Status of Chapters Committees at the General Assembly and brought to the floor with a recommendation, and (2) the General Assembly shall rule upon the recommendation of the Status Committee and shall not refer the matter to the Grand High Zeta or to the next General Assembly.

Section 7. After Indefinite Suspension of Operations or Termination of a Colony. A Zeta whose operations have been indefinitely suspended or a Colony that has been terminated, shall return the charter and all property of the Fraternity, and shall deliver up all of its books, files (including electronic files), paraphernalia, copies of Initiation Ritual, all ritual equipment, and all other General Fraternity-related items to a representative of the General Fraternity delegated to receive these things. All property of a defunct Chapter and its House Corporation, or equivalent thereof, remaining after the payment of all outstanding liabilities, at the time it is suspended or its existence as a Colony is terminated shall pass into a Chapter Rehabilitation Account under the terms of Code 5-6 of the *Statutory Code*, and these provisions shall be specified in the charter or articles of incorporation of each House Corporation hereinafter organized and in the Bylaws of each existing House Corporation and shall not thereafter be removed therefrom.

Code 8-4. Firearms, Explosives and Incendiary Devices. The possession and/or use of firearms, explosives, and/or incendiary devices at the Chapter house, on any Chapter or General Fraternity property (or property that could reasonably be considered a “Chapter house” or “Chapter facility”) or at any Chapter or General Fraternity function is strictly prohibited. In addition, if any Member or Members should possess and/or use firearms, explosives, or incendiary devices at any individually-initiated activity that is not on Chapter or General Fraternity property and could in no way be considered a Chapter or General Fraternity-sponsored event or function, possession or use of these devices by the Members involved is not dis-allowed under our Laws but must be in accordance with state, local, and federal laws.

ARTICLE 9

Unification and Absorption; Amendments to the Laws;

Conflicts with Existing Laws

Section 1. Unification or Absorption Agreement. The Grand High Zeta may enter into an agreement with the duly constituted officials of any other general social college fraternity for unification with or the absorption of such fraternity by The Lambda Chi Alpha Fraternity, but such agreement shall not become effective until ratified by a vote of three-fourths of all votes cast at a General Assembly of the Fraternity, or upon a referendum thereon ordered by the Grand High Zeta.

Section 2. Terms of Agreement. A unification or absorption agreement entered into and ratified in accordance with Article 9, Section 1 of this *Constitution* may prescribe the terms and conditions upon which Chapters of such fraternity to be absorbed by or united with The Lambda Chi Alpha Fraternity may become Chapters or associations of The Lambda Chi Alpha Fraternity, and the terms and conditions upon which Members of such fraternity to be absorbed by or united with The Lambda Chi Alpha Fraternity may become Members of The Lambda Chi Alpha Fraternity.

Section 3. Amendments to *Constitution* or Initiation Ritual. A three-fourths vote of the General Assembly shall be required for amending the Initiation Ritual or this *Constitution*.

Section 4. Amendments to *Statutory Code*. A majority vote of the General Assembly shall be required for amending the *Statutory Code*.

Code 9-1. Proposed Legislation and Resolutions. No proposed legislation that would affect the *Constitution*, *Statutory Code*, or Initiation Ritual, and no proposed Mandatory Policy Resolution may be submitted unless said proposed legislation or proposed Mandatory Policy Resolution is received by the Office of Administration at least 45 days prior to the opening of the General Assembly. In case of emergency, the Grand High Zeta may extend the time allowed for the submission of proposed legislation or a proposed Mandatory Policy Resolution.

Section 5. Revocation of Orders. Orders of the Grand High Zeta may be revoked by a majority vote of the General Assembly.

Section 6. Annulment of Conflicting Laws. All constitutions or parts of constitutions or Laws or parts of Laws in conflict herewith are annulled and repealed.

RESOLUTIONS

Resolutions are regularly adopted at General Assemblies to set forth matters of Fraternity policy that are not covered by the *Constitution* or the *Statutory Code*. These Resolutions can be either Mandatory or non-Mandatory. Article 1, Section 3 of the *Constitution* provides that Mandatory Resolutions are the Law of the Fraternity and carry equal weight with the *Constitution* and the *Statutory Code*. Non-Mandatory Resolutions are statements of Fraternity policy and should be recognized as such by our membership, but they do not rise to the same level of Law as the Mandatory Resolutions.

A Mandatory Resolution Regarding Illegal Drugs

Be It Resolved by Lambda Chi Alpha Fraternity, duly convened at the 1982 General Assembly, that the following be adopted as the official policy of Lambda Chi Alpha Fraternity:

POLICY ON ILLEGAL DRUGS

Recognizing that the use of illegal drugs has adversely affected the morale, operations, and standards of its collegiate Chapters, Lambda Chi Alpha Fraternity adopts this policy related to the use of such drugs within the Fraternity.

1. There shall be no possession or use of illegal drugs, including related paraphernalia, in Chapter houses, on Fraternity premises, at Fraternity functions wherever held, or in any other fashion that would be connected in any way with the Fraternity. Violation by a Member or a Chapter is an offense against the Lambda Chi Alpha Fraternity, which shall not be tolerated.
2. Chapters are to strictly enforce this policy as prescribed in Article 7 of the *Constitution*, as well as to take a positive educational approach on illegal drugs in preventing problems affecting a Chapter.
3. The Grand High Zeta is directed to take the necessary action, where warranted, to enforce this policy as to individual Members and Chapters.
4. The Administrative Staff is further directed to obtain and/or develop appropriate materials for an educational program dealing with drug usage.

The materials should be appropriate whether or not a Chapter currently has a drug problem.

5. The Fraternity encourages each Chapter to implement a comprehensive educational program dealing with drug usage and its injurious effects on the individual Member and on the well-being of our Chapters.
6. The Fraternity's position is based upon the recognition that clear evidence exists that the use of illegal drugs, including marijuana, is both injurious to the individual Member and detrimental to the well-being of its Chapters.

A Resolution Regarding a Code for Chapter Excellence

Recognizing the enriching experiences that Lambda Chi Alpha men can receive in return for uniting to better serve humanity and to strive toward the highest ideals of which they may be capable; and

Recognizing the opportunity for unlimited accomplishment through the application of high standards, honorable leadership, and the promotion of genuine brotherhood,

We, the Brothers of Lambda Chi Alpha Fraternity convened at the 40th General Assembly in the 75th year of our founding, rededicate ourselves to the attainment of excellence in all our Chapters; and furthermore,

We commit ourselves to bring into harmony both the vital and spiritual resources of our individual Chapters in the pursuit of Chapter excellence.

Therefore, Be It Resolved that we, in communion with the spirit and vitality of our Collegiate Brothers and Alumni Brothers in Chapters represented at colleges and universities throughout the world, do this day reaffirm these statements of intention to the educational community and to the public at large:

1. That we intend to strengthen our resolve and commitment to the overall development of Chapter excellence.
2. That we intend to pursue the highest possible academic achievement, both individually and collectively.
3. That we intend to nurture among our Alumni Brothers a lifelong relationship with the Chapter and with the International Fraternity as a whole.
4. That we intend to perpetuate an open, honest, and energetic approach to membership recruitment.
5. That we intend to develop fully the four aspects of Fraternity education: Chapter, Member, personal, and interpersonal.
6. That we intend to live our lives in accordance with the timeless principles of our Rituals and to ensure that our ceremonies are properly conducted.
7. That we intend to build financial operations based on sensible budgeting and prudent fiscal responsibility.
8. That we intend to exercise promptness, accuracy, and responsibility

in record keeping and in correspondence and communication with the educational institution, the General Fraternity, our Alumni Brothers, and the public.

9. That we intend to provide a positive and balanced living environment for our Members.
10. That we intend to create a pleasant atmosphere for and sound management of our dining operations.
11. That we intend to participate unselfishly in service to the campus and the community.
12. That we intend to promote creativity in social programming and to inspire an abiding sense of social responsibility.
13. And finally, that we intend to enlist our Alumni Brothers and college or university advisers for their guidance and counsel in the pursuit of excellence.

Be It Further Resolved that we, as Brothers of Lambda Chi Alpha Fraternity, will strive diligently to achieve the highest level of performance in each of the Standards for Chapter Excellence and its prerequisites; and that we shall seek to broaden the dimension of our Chapters, to foster the finest qualities of mind and body, and to encourage an ongoing evaluation of our performance relative to the Standards for Chapter Excellence.

GENERAL ASSEMBLY—NEW ORLEANS, LOUISIANA, 1984**

A Resolution to Adopt a Policy Regarding Legacies

Be It Resolved by the Lambda Chi Alpha Fraternity, duly convened at the 1984 General Assembly, that the following policy be adopted:

POLICY ON LEGACIES

A “legacy” is defined, in the context of this policy, as “the relative of a Member of the Fraternity in good standing.”

A Chapter should not assume that a legacy prospect will automatically accept an invitation to membership because of his relative’s membership in the Fraternity, nor should an individual automatically be entitled to membership on the basis of such a relationship.

The Fraternity recognizes, however, that the most interested candidates for associate membership are often those who are legacies or who have been recommended for associate membership by Alumni Brothers. Although these persons should not be granted special privileges by the Chapter during the recruitment period, they should be given the utmost careful consideration and attention as prospective Members.

Where a legacy candidate or candidate recommended by an Alumni Brother has been brought to the attention of the Chapter, the Members have an obligation to introduce themselves to the candidate and to investigate the possibility of associating him. It is the responsibility of the Alumni Brother to make sure the recommendation is in fact received by the Chapter and not merely by an individual. To effectively ensure this, it is recommended that the Alumni Brother contact either the Chapter president or recruitment chairman, or to channel the recommendation through the Office of Administration for forwarding to the Chapter.

Letters of recommendation submitted to the Chapter by an Alumni Brother on behalf of a prospective Member should be courteously acknowledged by the recruitment chairman.

It is then the responsibility of the recruitment chairman to notify the Alumni Brother of the outcome of the recruitment period.

A Resolution Regarding the Rituals of Lambda Chi Alpha

WHEREAS, the Rituals of Lambda Chi Alpha consist of the Associate Member Ceremony, the Ritual for Conducting Business Meetings, the Installation of Officers, the Initiation Ritual, and the Graduation and Alumni Ceremony; and

WHEREAS, these Rituals form the basis of our brotherhood, the common denominator that binds more than 150,000 different men into one brotherhood; and

WHEREAS, these Rituals must be conducted in a timely and effective manner so as to have the maximum impact on both the Associate Members and Brothers; and

WHEREAS, these Rituals are an exemplification of the ideals of Lambda Chi Alpha; and

WHEREAS, these Rituals teach a system of values that all Associate Members, Brothers, and Chapters will strive to achieve; and none of these Rituals espouse specific religious beliefs or teachings; therefore

BE IT RESOLVED that each of these Rituals will be presented in the manner prescribed and with the decorum required to reflect the ideals of Lambda Chi Alpha; and

BE IT FURTHER RESOLVED that the Associate Member Ceremony will be conducted as soon after recruitment as possible, and that it will be a public ceremony with invitations extended to the appropriate individuals; and

BE IT FURTHER RESOLVED that the Initiation Ritual will be conducted within six to eight weeks after association, or as soon as possible after the associates meet scholastic requirements; and

BE IT FURTHER RESOLVED that the Graduation and Alumni Ceremony is an optional ceremony performed for graduating Members voluntarily by their chapters and that the scheduling of the ceremony is at the discretion of individual chapters. Chapters may perform either the open or the closed versions of the Graduation and Alumni Ceremony, whichever suits their needs.

BE IT FURTHER RESOLVED that on each gathering of the membership for conducting business other than these four Rituals, the agenda will include the Ritual for Conducting Business Meetings; and

BE IT FURTHER RESOLVED that every Member of Lambda Chi Alpha shall memorize the Creed and put its ideals into action; and

BE IT FURTHER RESOLVED that the Creed be recited at each formal gathering of the membership; and

BE IT FURTHER RESOLVED that due to the importance of these Rituals in Lambda Chi Alpha and in our daily lives, all Members - both Associate Members and Brothers - will be instructed in the teachings of our Rituals and the system of values that we espouse through Fraternity Education, Zeta Alpha Chi sessions, Conclaves, and Leadership Seminars; and

BE IT FURTHER RESOLVED that the teachings of our Rituals and the system of values be clearly conveyed to potential Members during the recruitment process in a manner consistent with the oath of secrecy; and

BE IT FURTHER RESOLVED that the General Fraternity will continue to support, explore, and develop ways of enhancing Ritual awareness in potential Members, Associate Members, and Brothers through officer manuals, circulars, workshops, and other appropriate means

GENERAL ASSEMBLY—ST. LOUIS, MISSOURI, 1986**

A Resolution Regarding Academic Achievement

Be It Resolved by the Lambda Chi Alpha Fraternity, duly convened at the 1986 General Assembly, that the following policy be adopted:

POLICY ON ACADEMIC ACHIEVEMENT

All Members of Lambda Chi Alpha are reminded that we should ever strive to attain knowledge, understanding, and wisdom for the good of our Brothers. It is this goal that we should have in mind as we prepare ourselves for life. We are indeed men among men by the way we make use of the educational advantages that have been bestowed upon us.

Lambda Chi Alpha, therefore, adopts this policy and reaffirms its dedication to the principles of academic achievement by encouraging each Chapter to:

1. Establish an academic criterion as part of the membership recruitment process.
2. Establish an academic criterion as part of the selection process for the designation of Big Brothers.
3. Establish an academic criterion for eligibility to serve on the High Zeta.
4. Establish an atmosphere and environment conducive to academic prosperity.
5. Establish an academic achievement program for all Members.

A Mandatory Resolution Regarding Dry Recruitment

WHEREAS, the excessive use and abuse of alcoholic beverages is widely recognized as a major problem in our society; and

WHEREAS, the period of membership recruitment is the first substantive contact a prospective Member has with Lambda Chi Alpha; and

WHEREAS, the use of alcohol to attract young men to membership is held to be counterproductive to introducing and developing true brotherhood; and

WHEREAS, due to the trend of the rising legal drinking age, the majority of prospective Members are under legal age; and

WHEREAS, there has been an alarming rise in the number of liability cases involving the illegal use of alcohol with prospective Members; and

WHEREAS, a recruitment program based upon the development of honest interpersonal relationships has been proven more effective, and that the presence of alcohol inhibits this development; and

WHEREAS, The Lambda Chi Alpha Fraternity requires “dry recruitment” in its policy on alcoholic beverages; therefore

BE IT RESOLVED by The Lambda Chi Alpha Fraternity in the 1988 General Assembly duly convened that we, in communion with the spirit of our Collegiate Brothers and Alumni Brothers in Chapters represented at colleges and universities throughout the world, do this day direct all Chapters to implement a membership recruitment program that eliminates the use of alcoholic beverages during any and all membership recruitment activities and functions.

In so doing, it is our distinct belief that:

1. We will attract a greater number of high-quality prospective Members.
2. We will improve the retention ratio of new Members.
3. We will enhance public support of fraternity membership.
4. We will diminish the risk of legal liability and violation of liquor laws.
5. We will develop more fully the interpersonal skills of our Members.

BE IT FURTHER RESOLVED that we, as Brothers of Lambda Chi Alpha, will strive diligently to promote dry recruitment on our campuses by encouraging our respective interfraternity councils and member fraternities to move immediately toward the elimination of alcohol in all recruitment programs.

GENERAL ASSEMBLY—SCOTTSDALE, ARIZONA, 1988**

A Mandatory Resolution Regarding Hazing

WHEREAS, the Lambda Chi Alpha Fraternity, in accordance with Code 4-8 of the *Statutory Code*, has taken the position that “hazing of Members shall not be permitted at any time whether on or off Fraternity premises. Hazing is defined as “any action taken or situation created intentionally to produce physical discomfort or mental discomfort by embarrassment, harassment, or ridicule;” and

WHEREAS, the Fraternity has, through its Laws and policies, developed and supported constructive educational and inspirational programs to provide every opportunity to eradicate such practices and to preserve the human dignity of its Members; and

WHEREAS, the Fraternity espouses the belief that true fraternalism is nurtured in an atmosphere of social and moral responsibility and loyalty to the principles of higher education; and the Fraternity further believes it is essential that the precepts embodied in the Laws of the Fraternity are such as will ensure an experience that will be a constructive influence upon college men; and

WHEREAS, the Fraternity further believes that it has a solemn obligation to the development of its Members, and that this responsibility extends alike to the institutions where Lambda Chi Alpha is represented, to parents and others who make possible the education of these men, to the communities in which its Chapters should endeavor to be good citizens, and to the college fraternity system of which it is a part; and

WHEREAS, the Fraternity further believes, despite the fact that much progress has been made, that one of the most damaging instruments to true fraternalism is the employment of a program of education that includes hazing, and that this unproductive, demeaning, and hazardous custom has no rightful place in Lambda Chi Alpha; and

WHEREAS, the Fraternity further believes its Members to be mature, intelligent, and self-governing men, and that they alone can eradicate hazing in all its varied forms; therefore

BE IT RESOLVED that the 1988 General Assembly of Lambda Chi Alpha duly convened directs all Members of the Fraternity, undergraduates and alumni alike, to eliminate entirely any and all hazing practices and to continue to implement positive and constructive educational programs; and

BE IT FURTHER RESOLVED that the Fraternity encourage its Members to work together with college administrators to rid the campuses of any lingering

evidence of hazing and other injurious practices; and

BE IT FURTHER RESOLVED that the General Fraternity endeavor to broaden and strengthen its programs for the development in Members of leadership responsibility and the appreciation of moral, spiritual, and intellectual values consistent with the ideals and teachings of Lambda Chi Alpha.

**RESOLUTION APPROVED BY THE FORTY-SECOND
GENERAL ASSEMBLY—SCOTTSDALE, ARIZONA, 1988**

A Mandatory Resolution Regarding Sexual Harassment

WHEREAS, The Lambda Chi Alpha Fraternity recognizes that sexual harassment is a problem throughout our society; and

WHEREAS, sexual harassment is a form of discrimination that violates the principles, traditions, and ideals of Lambda Chi Alpha Fraternity; and

WHEREAS, sexual harassment reflects poorly on our society, particularly our educational institutions, and deprives the victims of the respect and dignity due all human beings; and

WHEREAS, The Lambda Chi Alpha Fraternity further believes that it is essential that the Fraternity continue to promote the refinement of manly character; therefore

BE IT RESOLVED by The Lambda Chi Alpha Fraternity in the 1988 General Assembly duly convened that the Brothers of this Fraternity firmly condemn deliberate or repeated offensive comments, gestures or contact of a sexual nature, as well as date rape, gang rape, and any other form of sexual violence or harassment; and

BE IT FURTHER RESOLVED that we affirm our support of the Objects of the Fraternity as stated in the *Constitution* of Lambda Chi Alpha, that we rededicate ourselves to the well-being of humankind, and to the highest standards of honor and gentlemanly conduct; and

BE IT FURTHER RESOLVED that we will work diligently to educate our Members through programming and workshops by and through the General Fraternity and our Chapters, to help prevent any acts of sexual harassment, and to heighten awareness of this problem within our membership.

GENERAL ASSEMBLY—MEMPHIS, TENNESSEE, 1990**

A Mandatory Resolution Regarding Women’s Auxiliary Organizations

WHEREAS, membership in Lambda Chi Alpha Fraternity is extended to men in accordance with the provisions of the *Constitution* and *Statutory Code*; and

WHEREAS, the existence of women’s auxiliary organizations, commonly referred to as “little sisters,” within some Chapters constitutes a threat to the single-sex status of Lambda Chi Alpha; and

WHEREAS, the existence of women’s auxiliary groups within the Fraternity can be construed by the courts as offering “second class” membership to women; and

WHEREAS, the activities of women’s auxiliary groups in men’s fraternities are often demeaning and negatively demanding of women; and

WHEREAS, the time spent dealing with aspects concerning women’s auxiliary activities could be better spent in achieving the goals and standards of Lambda Chi Alpha to the benefit of the Fraternity and the entire fraternity system; therefore

BE IT RESOLVED by the 1990 General Assembly of Lambda Chi Alpha duly convened that women’s auxiliary organizations are not desirable nor beneficial to men’s and women’s fraternities; and

BE IT FURTHER RESOLVED that Lambda Chi Alpha Fraternity hereby disallows any type of women’s auxiliary organizations perceived as or resembling “little sister” groups to exist within the Fraternity.

A Mandatory Resolution on Alcoholic Beverages

Be It Resolved by Lambda Chi Alpha, originally convened at the 1988 General Assembly, that the following policy be adopted as official policy of Lambda Chi Alpha Fraternity (Amended by the 1992 General Assembly):

POLICY ON ALCOHOLIC BEVERAGES

Recognizing its responsibility for the social well-being and welfare of its Members; and with the objective that the social atmosphere and environment of its Chapters be one in harmony with the spirit and ideals of this Fraternity; Lambda Chi Alpha Fraternity adopts this policy related to alcoholic beverages.

1. The possession, consumption, and distribution of alcoholic beverages on the premises of any Chapter or at any entertainment or function given in the name of, or for the benefit of, Lambda Chi Alpha Fraternity shall not be in conflict with institutional, state, provincial, or local regulations and policies.
2. There shall be no sale of alcoholic beverages by a Chapter.
3. Chapter funds shall not be used to purchase alcohol.
4. No Chapter shall sponsor or co-sponsor any activity that is classified as an “open party” that is characterized by unrestricted and/or public access to alcoholic beverages.
5. No Chapter may co-sponsor an event with an alcohol distributor, charitable organization or tavern (tavern defined as an establishment generating more than half of annual gross sales from alcohol) where alcohol is given away, sold, or otherwise provided to those present.
6. No Chapter or individual Member shall support, under any circumstance, the practice of high-risk or “binge” drinking. High-risk drinking shall be defined as the drinking of alcoholic beverages with the intention of becoming excessively intoxicated by consumption of alcohol over a short period of time.
7. No Member shall permit, tolerate, encourage, or participate in “drinking games” on Chapter premises or at any Chapter activity or function.
8. No alcohol shall be present at any associate member, pre-initiation, or initiation activity of the Chapter.
9. Designated drivers shall be available in sufficient numbers at any function where alcoholic beverages are present.

10. Adequate procedures shall be used to admit only invited guests to Chapter events.
11. The presence of alcoholic beverages shall be monitored in an appropriate manner to assure compliance with the risk management guidelines of Lambda Chi Alpha Fraternity.

14. The Fraternity directs its Chapters to develop a balanced social program that incorporates creative, non-alcoholic oriented programming.
15. The Chapter Executive Committee is directed to supervise the design and implementation of the Chapter's social program so that it conforms to the spirit of this policy. It is further directed to take corrective and/or disciplinary measures when warranted on any individual who negatively affects the well-being of a Chapter through misuse or over-indulgence of alcoholic beverages.

The Lambda Chi Alpha Fraternity bases its position upon recognition that clear evidence exists that the misuse of alcoholic beverages can erode the foundation of fraternalism and diminish the complete attainment of the goals and objectives of Lambda Chi Alpha and the educational community.
